Boston - AFFIRMWATER will be at D2E (Down:2:Earth), Boston's premier destination for conscious consumers, held April 3-5 at the Hynes Convention Center in Boston. A marketplace for eco-friendly products, a public stage for community initiatives, and an educational forum that addresses sustainability issues, the 2nd annual D2E expo emphasizes local and innovative solutions, and connects consumers with progressive companies that are investing in a more sustainable future. Learn more at www.d2eboston.com.

AffirmWater's Stainless Steel Water Bottles are reusable, recyclable and sustainable. One of the many companies exhibiting at the D2E to offer products promoting sustainable living.

Their mission is to get people to drink more water from a safe vessel, while protecting the environment and creating positive change in the world.

Visit AffirmWater's booth to see how you can make a difference both in your life and for the environment.

Visit Affirmwater.com for a complete product listing.
