

## **AffirmWater Has 'Karma' Like Earl**

*AffirmWater, LLC has just added several new products to its ever expanding line of stainless steel water bottles. The most exciting addition made was at the request of the television program 'My Name Is Earl'. AffirmWater has created the 'KARMA' water bottle which is available in both 17 oz. and 26 oz. sizes.*

Concord, NH ([PRWeb](#)) October 1, 2008 -- AffirmWater, LLC has just added several new products to its ever expanding line of stainless steel water bottles. The most exciting addition made was at the request of the television program 'My Name Is Earl'. AffirmWater has created the 'KARMA' water bottle which is available in both 17 oz. and 26 oz. sizes. These bottles are now available to the public by going to [www.AffirmWater.com](http://www.AffirmWater.com) The Karma bottles are retailing for \$11.00 and \$15.00 respectively.

Equally exciting and not to be overlooked is the addition of the new Mini-Canteen. The Mini-Canteen has the same 17 oz. capacity as before, but in a more ergonomically friendly slimmer design that is easy to grip! The Mini-Canteen has a wider mouth, which is designed to easily fit ice cubes and for ease of cleaning. Every AffirmWater stainless steel water bottle includes both a sports cap, and an additional free loop cap with carabineer. Both bottle sizes are available with additional logos, including; Love, Peace, Inspired, and now ENERGIZED, and KARMA! AffirmWater, LLC also offers wholesale pricing, as well as custom logo design.

AffirmWater, LLC is also happy to offer neoprene totes by BUILT NY to protect, store, and accessorize your AffirmWater stainless steel water bottle. BUILT NY totes are now available in a variety of colors and designs at [www.AffirmWater.com](http://www.AffirmWater.com)

AffirmWater, LLC is a small, New Hampshire based, women owned and operated company that began its mission to inspire people to drink more water. Their mission is: "To get people to drink more water from a safe vessel while protecting the environment and creating positive change in the world." This mission quickly became their passion.
